1. I understand that KARL 5987 was answered orally by [] during his recent visit to the Zone. In order to confirm the answer given by C 1, I would like to spell out what happened.

2. CAMLET gave [] a batch of reports extracted from a defector from Thuringia by the name of Mueller. It seems that this man was also debriefed by CAMLET's East Zone expert, a man by the name of "Niki". "Niki" is inter alia a CIC agent. The answer to your cable is quite obvious.
